# Announcement

---

We are very proud to offer to the public a very uniform and high class group of cattle that have been bred up to a high standard through forty-three years of continuous breeding on our farm. Every animal in the sale is the result of a careful breeding program followed through these years by the use of the best sires available and of the most popular blood lines.

We have won our share of the laurels at the leading mid-west shows prior to the war. Our present crop of calves are the best and most uniform we have ever produced, through the use of a grandson of the celebrated Supreme Goldfinder—Goldfinder's Symbol 2118880—His record for siring calves and color is hard to beat. To date he has sired forty-two calves, thirty-six are solid red and six are evenly mixed roans, not one calf of the forty-two has had a white foot. Goldfinder's Symbol's entire 1943 calf crop will be sold, not one is withheld from this sale. The fourteen bulls and nine open heifers sired by him will prove to you that he is one of the outstanding sires of the day and will make Shorthorn history.

The nine open heifers sired by Goldfinder's Symbol are going to be sold with the breeding privilege to our new herd bull Edellyn Moray Mercury 2186575, the top selling Mercury bull in the 1944 Edellyn Sale.

About ten cows and heifers will have calves by Edellyn Rival Mercury by sale day that should prove to you how these Mercury bulls are nicking on our cattle. The cattle in this sale were all bred by us for a good many generations so that the proof of one mating can be expected of all.

A careful study of the pedigrees and illustrations in this catalog should convince you that you won't be disappointed if you attend our sale. Your presence will be heartily welcome.

GEO. STRUVE & SONS.
